

LANXESS Deutschland GmbH

To whom it may concern

Absence of SVHC candidates – listed here:

http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

Confirmation:

No substances - shown under a.m. ECHA-LINK - ***have intentionally been added*** to the production process of our thermoplastic resins

Durethan[®] and Pocan[®]

and they are ***not known*** to be present apart from ubiquitous traces.

This document will remain unchanged and valid, even if the date of issue is an earlier one than the latest update of a.m. SVHC-Link.

It will only be modified, if we have to declare the presence of a listed candidate > 0.1%.

Yours sincerely,
LANXESS Deutschland GmbH

i.v. 

Dr. Wolfgang Bauer

This information and our technical advice - whether verbal, in writing or by way of trials - are given in good faith but without warranty, and this also applies where proprietary rights of third parties are involved - except statements in bold and italics regarding consistency. Our advice does not release you from the obligation to check its validity and to test our products as to their suitability for the intended processes and uses. The application, use and processing of our products and the products manufactured by you on the basis of our technical advice are beyond our control and, therefore, entirely your own responsibility. Our products are sold in accordance with the current version of our General Conditions of Sale and Delivery.
